

Guess who came to dinner?

Recent class meeting at Chuck's provided more entertainment. Classmates in attendance were: Chuck, Steve Trump, Denny, Carl, Rosie, Deb, Marie, Mike Conley, Frank, Phil Gates, Andy, Hal and Beth Marrs. We continued discussions of the parking crew, fundraiser ideas, catering, decorating, invocation, picture photographer, and other topics.

We determined that classmates who attended the Pierceton School in the K-12 years, but graduated elsewhere, will still be included in the Sunday June 23 at American Legion get together. Chuck will be the bartender, going to invite classes of 1967 and 1968, and have a taco bar for food. Get together at American Legion will be Sunday June 23, 1p-4p.

An extra thanks to Andy for volunteering to present the Invocation at the banquet; to Phil Gates for working with Grace catering; to Steve Trump for offering to help with Deb Rager, Mike Conley, and Rosie Moran in decorating balloon helium; to parking crew of Dave Ott, Chuck, Denny, Stan; to all who are willing to help inside with serving dinner plates to attendees that can't stand in the food line; and finally, to others who can help with the reservation table.

DON'T FORGET FRIDAY JUNE 21 for set-up of tables/chair/etc. Decorating time around NOON until ? pm at the Pierceton Elementary School.

Recent Pierceton Alumni meeting at Pierceton library included classmates of Mike Kubacki, Phil Gates, Chuck, Frank, Hal, Jay Outcalt, and Beth Marrs. Another very entertaining meeting. Thanks to Jay and Chuck for finishing the carts for the alumni tables. Deb Trump Thomas is a great liaison for the alumni and banquet committees. A super thanks to Doug and Becky Gebert Gregory for their knowledge and being able to attend all meetings. Watching Game of Thrones and eating cherry pie. Happy Easter to all.
